

Science Cafes for Young Thinkers

“New Mexico’s Dynamic Geology: What it means to you”

**Thursday, Feb. 23, 2017
6:00-7:30 PM**

**Georgia O’Keeffe Museum
Education Annex
123 Grant Avenue, Santa Fe**

Take a virtual field trip to some of the prominent geological features of New Mexico and discuss what may lie ahead.

Learn how New Mexico’s geology--while not always readily apparent--is significant to our everyday world.

W. Scott Baldrige, Guest Scientist, Los Alamos National Laboratory

A two-time Fulbright recipient, Scott has been researching, writing, and teaching about the geology of the Southwest for more than 30 years.

Free Admission & Snacks

Open to all but seating a priority for youth (ages 13-19)

Visit sfafs.org for more information or email: info@sfafs.org.
