

**KNME**  
TV 5/DI 35

**KNME-TV, in partnership with Santa Fe Alliance for Science,  
Santa Fe Institute, Santa Fe Public Schools & the N.M. Public  
Education Department**

**Invites You to a  
KNME SCIENCE CAFÉ for Young Thinkers: 13 – 19  
ADMISSION IS FREE - Youth Seating a Priority**

## **PREDICTING NATURAL DISASTERS**

**Thursday, November 16 from 6:00 – 8:00 pm  
Warehouse 21 - 1614 Paseo de Peralta, Santa Fe  
(Between St. Francis and Guadalupe)**

Enjoy refreshments, and watch a short segment from an episode NOVA scienceNOW on Hurricanes. (Originally broadcast in Jan. 2005, it predicted what was to come in New Orleans.) Then join guest speaker John Rundle, from the University of California-Davis, for a discussion about Predicting Natural Disasters.

**Admission is FREE, however Youth Seating is a Priority. Seats are limited to the first 80 people. For more information, please call:  
(505) 989-4423 or (505) 277-1218.**

**KNME Science Cafe in Santa Fe is presented with support from Los Alamos National Laboratory Foundation, New Mexico Tech, & Redfish Group.**

Be more curious...be more amazed ...have fun...come to the KNME Science Café.
