

Santa Fe Science Café For Young Thinkers

“Envisioning Science”

Thursday, February 8

6 – 8 PM

*Georgia O’Keeffe Museum Education Annex
123 Grant Street, Santa Fe*

A presentation of scientific photographs, followed by a discussion about the visual expression of scientific concepts, will be led by **Felice Frankel** of Harvard University and MIT, on Thursday, February 8 from 6:00 – 8:00 pm at the O’Keeffe Museum Education Annex, 123 Grant Street, Santa Fe.

Learn more about this fascinating topic as the Santa Fe Alliance for Science, the Santa Fe Institute, the Santa Fe Public Schools and the N.M. Public Education Department invite you to a Science Café For Young Thinkers.

Admission is Free. Youth (ages 13-19) seating a priority. Light refreshments will be served.

Ms. Frankel will also appear on The Santa Fe Radio Café with host Mary-Charlotte Domandi at 8:06 am on Thursday, February 8, on KSFR 90.7 FM, streaming on the web live at <http://www.ksfr.org>.

Felice Frankel is a Senior Research Fellow in the Faculty of Arts and Sciences at Harvard University, where she heads the Envisioning Science program at Harvard's Initiative in Innovative Computing (IIC). She holds a concurrent appointment as a research scientist at the Massachusetts Institute of Technology. Working in collaboration with scientists and engineers, Frankel's images have been published in over 300 journal articles and/or covers and various other publications for general audiences. See her website at <http://web.mit.edu/felicef/>.
